Examiner's Amendment

1. This application is in condition for allowance except for the presence of claims 10 - 14 to an invention non-elected without traverse. Accordingly, claims 10 - 14 been cancelled.

Reasons for Allowance

2. The present claims are deemed allowable over the references of record since the references of record fail to disclose or render obvious a free magnetic layer structure comprising a first and second free magnetic layer with a nonmagnetic intermediate layer disposed therebetween, wherein recesses filled by a soft magnetic layer meeting the claimed limitations are formed "only in the first free magnetic layer".

While the prior art of record disclose synthetic free magnetic layers comprising a first and second free magnetic layer with a non-magnetic layer therebetween and single free magnetic layers with recesses meeting the claimed limitations, the prior art of record fail to disclose or render obvious the combination of a synthetic free magnetic layer structure and recesses "only in the first free magnetic layer" of the synthetic free magnetic layer structure.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
